### **City announces short list for OMP Construction Manager Services contract**

The City of Chicago's Department of Procurement Services announced recently the short list of teams vying for the Construction Manager (CM) services contract for phase one of the O'Hare Modernization Program (OMP) and the Chicago Department of Aviation's ongoing capital improvement construction programs at O'Hare and Midway International Airports.

The three teams recommended for interviews for CM services for the O'Hare Modernization Program are Parsons Brinckerhoff Construction Services, Inc., Parsons Transportation Group and Bovis/Kenny & Partners.

Parsons Brinckerhoff Construction Services, Inc. consists of prime contractor Parsons Brinckerhoff, along with Harbour Contractors, Inc., d'Escoto, Inc., Brown and Momen, Inc., Ardmore Associates, LLC, and Solutions & Savings.

The Parsons Transportation Group consists of prime contractor Parsons Transportation along with McDonough Associates, Inc., CMTS, Inc., David Mason & Associates of Illinois, Ltd., Ernest R. Sawyer Enterprises, Inc., Rodriguez & Associates, Inc., and Cotter Consulting, Inc.

Bovis/Kenny & Partners is a joint venture consisting of prime contractor Bovis Lend Lease, Inc., Kenny Construction Company, Inc., Riteway-Huggins Construction Services, Mota Construction Company, Inc., and J.A. Watts, Inc.

### **Short list candidates for DOA capital improvements**

Respondents recommended for interviews for CM services for the Department of Aviation's capital improvement construction programs are Airport Construction Managers, Chicago Airport Resources Enterprises, and Construction Managers for Chicago Airports.

Airport Construction Managers is a joint venture of Kenny Construction Co., Inc., Earth Tech, Inc., Louis Jones Enterprises, Mota Construction Co., Inc., and Cotter Consulting, Inc. Its subcontractors include Afram Group, Inc., Electrical Resources Management and Everest Engineering Company.

Chicago Airport Resources Enterprises is a joint venture of R. M. Chin and Associates, Inc., Heery International, Inc., Ghafari Associates, LLC, d'Escoto, Inc., East Lake Management and Development, Bradshaw Construction and Management, and Autumn Construction Services.

Construction Managers for Chicago Airports is a joint venture of Turner Construction Company, URS Corporation, d'Escoto, Inc., and McKissack & McKissack Midwest. Its subcontractors include Ardmore & Associates, Cotter Consulting, Inc. and J. A. Watts.
