CDA to Participate in HACIA Midwest Construction Expo

The Chicago Department of Aviation (CDA) will be participating in the HACIA Midwest Construction Expo tomorrow, October 28, 2010 from 7:30 a.m. - 5:30 p.m. The Expo is taking place at the Hawthorne Race Course on 3501 S. Laramie in Stickney, IL.

The CDA will provide information on contracting opportunities and upcoming bid packages for the O'Hare Modernization Program (OMP) and CIP projects. These projects are for the balance of 2010 as well as 2011.

This HACIA Midwest Construction Expo requires mandatory registration.

For more information on HACIA's Midwest Construction Expo please visit www.haciaworks.org

~ ~ ~

The Chicago Department of Aviation (CDA) is self-supporting, using no local or state tax dollars for operations or capital improvements at O'Hare and Midway International airports. Together, Chicago's airports generate more than \$45 billion in annual economic activity and create 540,000 jobs for the region. Please visit www.flychicago.com to learn more about the Chicago Department of Aviation.

The CDA continues to incorporate and expand sustainable initiatives for airport planning, operations and maintenance, concessions and tenants in accordance with the CDA Sustainable Airport Manual (SAM), released in August 2009. To view case studies, lessons learned and new technologies, and for more information on the SAM, please visit www.airportgoinggreen.org.

The O'Hare Modernization Program (OMP), introduced by Mayor Richard M. Daley in June 2001, transforms O'Hare's airfield from an outdated system of intersecting runways into a modern parallel runway configuration. The program will reduce overall delays at the Airport by 79 percent, and bad weather delays by 95 percent. It will create 195,000 new jobs and \$18 billion in additional economic activity each year. Please visit www.oharemodernization.org to learn more about the OMP.
