Register for CDA Concessions Open House

The Chicago Department of Aviation (CDA) will host a **Concessions Open House** event for operators interested in responding to an upcoming RFP relating to food and beverage concessions at Midway International Airport along with ATM, Foreign Currency and Banking Services at both O'Hare and Midway International Airports.

Multiple in-line locations will be available for lease in 2011 and 2012 in the above categories.

The **Concessions Open House** event will take place on the following date:

Thursday, February 10, 2011
9:00 - 11:00 a.m.
Malcolm X College
1900 West Van Buren St
Chicago, IL 60612

City of Chicago departments will be on site to answer questions about the City's certification, licensing and small business programs.

Space is limited. Online registration for the **Concessions Open House** is available at www.flychicago.com/concessionsopenhouse

The Chicago Department of Aviation (CDA) is self-supporting, using no local or state tax dollars for operations or capital improvements at O'Hare and Midway International airports. Together, Chicago's airports generate more than \$45 billion in annual economic activity and create 540,000 jobs for the region. Please visit www.flychicago.com to learn more about the Chicago Department of Aviation.

The CDA continues to incorporate and expand sustainable initiatives for airport planning, operations and maintenance, and concessions and tenants in accordance with the CDA Sustainable Airport Manual (SAM) Version 2.0, released in November 2010. To view case studies, lessons learned and new technologies, and for more information on the SAM, please visit www.airportsgoinggreen.org.

The O'Hare Modernization Program (OMP), introduced by Mayor Richard M. Daley in June 2001, transforms O'Hare's airfield from an outdated system of intersecting runways into a modern parallel runway configuration. The program will reduce overall delays at the Airport by 79 percent, and bad weather delays by 95 percent. It will create 195,000 new jobs and \$18 billion in additional economic activity each year. Please visit www.oharemodernization.org to learn more about the OMP.
